RE: J-S Northland 80-Bed SNF, Project #4218 NS  
J-S Northland 90-Bed ALF, Project #4219 RS

Dear Tom:

This letter is to request six-month extensions of the J-S Northland Certificates of Need for project #4218 NS to establish an 80 bed SNF and project #4219 RS to establish a 90 bed ALF in order to incur a capital expenditure for each of these projects.

Progress during the most recent reporting period includes approval by the city of Kansas City of both the SNF and ALF civil engineering and architecture design drawings along with the issuance of building permits. The contractor has completed the bidding of the project out to all the subcontractors. In addition Coppermark Bank has approved a loan in the amount of \$17,168,707 for the construction of the projects.

If any additional information is needed please let me know. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "Craig W. Elmore".
